Membership	Membership has been boosted since our return to Armadale. It is good to see old and new faces joining the club – and especially exciting to see strong growth in the “younger” age groups. Current membership stands at 43.
Return to Armadale	The club returned to our home pool at Armadale last year after it was closed for extensive renovations. Whilst we were a little bemused by the “wrong” slope of the new 25m indoor pool, we are enjoying the revamped centre including gym, change rooms and geo thermal heating to all pools. We are looking forward to reigniting a club tradition and participating in the Virtual Rottnest Swim at the centre.
Technical Officials	Two members have commenced training as Technical Officials. Heather Jeps and Gillian Caruso have submitted their training log sheets for Inspector of Turns and Judge of Strokes and are regulars at pool competitions. Heather has also been training as an open water official.
Training	Club members are enjoying longer distance training sessions during the open water swim season. Several travelled to Busselton to compete in the Jetty Swim.

Participation	We are still seeing strong participation at both training (around 20 at AM session, 15 at PM), and Open Water events with representation at almost every swim in WA so far this season.
Busselton Jetty Swim	<p>This is one of the major highlights of the year for our club. This year we had 41 members participating... 28 solos, 1 in the 1 Mile swim, 5 in duo teams, and 7 in 4-person relay teams.</p> <p>3 members were honoured by the organisers... Ron Edwards for his 20th swim, Brian Hall for his 24th, and Thelma Sharp who is one of only 5 people who have participated in all 25 swims.</p> <p>18 solo swimmers swam personal best times, and 2 members won their age category (Steven Povee in Men’s 60-64, and Ron Edwards in Men’s 80-84).</p> <p>Well done Stingers!</p>

Event	<p>1 Club Committee meeting, Wednesday, 12 February. Darryl Kelly's resignation accepted .Richard George nominated and accepted as the new President for 2020 season. The club would like to thank Darryl for his service over the past 5 years and wish Richard all the success for the 2020 season.</p> <p>2 The club had 42 members participate in the 2020 Busselton Jetty Swim. Conditions were perfect and lots of PB's Congratulations to all those members who participated. The club had several media write ups in the local newspapers including Front Page!!</p> <p>3 Community Restart Program (Supported by a Grant from the Dept of Sports & Rec) Sunday 16 February for a period of 8 weeks. The program is divided into 2- 4 week sessions. The response has been incredible, with a waiting list for both programs. We have a cut off list of 21 participants. The club outcome is to increase membership at the end of the sessions.</p> <p>4. Swimming training now focusing on the MSWA State Champs in 4 & 5 April at Mandurah.</p>

	<ul style="list-style-type: none"> • The Australia Day WOW Swim was very successful, with a record number of entries, however we are very mindful of the time needed by the committee to run the event. • Currently membership is at 76, which is 15 down from this time last year. Most of the swimmers who have not re-joined are older pool swimmers. The focus has definitely changed to OWS over the past few years and a big challenge for the committee this year is to get more interest in the pool for both training and events. • Beach swimming continues to be a very strong focus with members swimming up to four times a week followed by coffee. • This year we had 41 of our members (more than half) participate in the Busselton Jetty Swim event. We also had 47 members enter one or more of last season's WOW swims. • We have just had our AGM and the committee remained basically the same for 2020. • Our next big club event will be assisting with the MSWA State Swim in April.

For Information:

Item	Details
	Superfins continues to grow its membership and introduce new members to Masters. This year the club has been encouraging more participation in the open water events with a number of members undertaking their first OWS. As usual Superfins sent a team to the Busselton Jetty swim and participated in the Solo, Duo and Quad categories. On the 16 February Superfins will attend the New man meet with 23 participants. Planning is underway to send 20 swimmers to the Masters Nationals in Sydney
