PRESIDENT'S WELCOME

Welcome to the Act Belong Commit 2023 Masters Swimming WA State Championships, our premier pool event for the swim calendar. If my calculations are correct, this is the 45th anniversary of this event.

I hope the change of date has enabled many swimmers to do some shorter distance training. Significantly this year, we will have a better environment for people to navigate with no COVID restrictions and the ability to record some current fast times in the portal.

A big thank you to our wonderful officials and volunteers for giving their time over the weekend to make this event the inevitable success it will be. Including but not limited to Lynne Duncan (officials), Richard Hughes (meet director) and Richard Johnson (recording) for leading their teams to make the days run smoothly. I would also like to express appreciation to the Masters Swimming WA office including Sue Gliddon and Hannah Lawton for their behind the scenes work to make this event happen.

If you take any pictures or videos this weekend, you can share them with us on social media by tagging Masters Swimming WA or using the hashtag #mastersswimmingwa. Images and videos can also be sent via email to communications@mswa.asn.au.

Enjoy your weekend of fitness, friendship & fun!

COMPETITOR INSTRUCTION & MEET RULES

Seeding & Events

All events are heat seeded with one swimmer per lane.

Swimmers have been allocated lanes according to their nominated times. Heats will consist of mixed age groups and genders.

Over-the-top Starts may be applied in specific events if necessary, to manage time constraints.

Marshalling

Self-Marshalling will be in place for the 2023 State Swimming Championships.

Swimmers should report to the marshalling area when the event is called by the announcer or as indicated by the marshalling board. All swimmers must collect their heat/lane coloured disk in person. Swimmers risk disqualification if they do not report to the marshalling area when their event and heat is called and must remain in the marshalling area once they have collected their heat/lane coloured disk for their event.

Clerk of Course

The Clerk of Course will escort swimmers in an orderly manner from the marshal holding area to the Check Starter near the start end of the pool.

Check Starting

Check Starters will escort swimmers to their correct heat and lane position.

It is the responsibility of the swimmers to ensure they are in the correct heat and lane for the event.

The check starter will collect the heat/lane coloured disk before each heat moves forward to the blocks.

If a swimmer is not in the correct lane at the start of the race, they may be disqualified from the race.

Timekeeping

A minimum of two timekeepers will be allocated to each lane.

Timekeepers will only operate SAT (semi-automatic timing buttons). No stopwatches will be allocated.

To keep the event running smoothly and on time, swimmers should not ask for their swim time from the timekeepers.

Rules

Masters Swimming Australia Rules shall apply.

A copy of the race rules is available for viewing upon request from the Meet Director.

Swimwear

Swimmers must adhere to the Masters Swimwear Rules 2020.

The basic requirements for swimsuits are:

A competitor may wear only one swimsuit in one piece for men and one or two pieces for women.

All swimsuits shall be made from textile materials with no application of surface treatment closing the open mesh structure.

For pool swimming, swimwear for men shall not extend above the navel nor below the knee, and for women, shall not cover the neck, extend past the shoulder or extend below the knee.

Items other than caps, goggles and swimsuits, covering the body and not part of the swimsuit are prohibited.

Note: This prohibits taping of the body (except where approved by the Meet Referee) and the wearing of readily removable additional items, like arm bands or leg bands and includes wristwatches, Fitbits and heavy jewellery.

No zippers or fastening systems are allowed.

Swimsuits must be of a design approved by FINA and marked accordingly.

The basic requirements for caps and goggles are:

Caps and goggles cannot be attached to one another nor to the swimsuit (no "hood" or "mask" effect).

Cap shape must follow the natural shape of the head and not include any artificial shaping. This means that shaped novelty caps are not allowed.

It is permissible to wear two (2) caps.

COMPETITOR INSTRUCTION & MEET RULES

Race Finishes

Swimmers must remain in their lanes until instructed by the referee to leave the water. An "over the top" starting procedure may be used – the next heat is started before the swimmers from the previous heat are instructed to leave the water. Swimmers should move to the left side lane rope, and one metre away from the end of the pool to avoid triggering the automatic timing mechanisms. Swimmers must not hold on to the wall.

Once instructed to leave the water, swimmers should exit via the side ladders. Swimmers must not climb over the end of the pool. Doing so may incur disqualification.

Exiting over the end of the pool will damage the automatic timing mechanism and may also be hazardous to the swimmer and other

Swimmers needing Assistance

Swimmers who need assistance at the start or at the finish of their race, at turns or in exiting the pool may be assisted by a helper(s). Swimmers needing assistance should notify the event referee before the start of the event.

Results

Official times will be posted as soon as possible after all heats of an event are completed and the results processed.

A public address announcement will be made when results are posted.

Final results, based on the heat time swum, gender and age group, shall determine an individual's placing.

Swimmer disqualifications will be announced after the completion of the relative Event/Heat. Every attempt will be made to notify swimmers of their disqualification.

Protests

Any protest regarding a swim or result must be made via an official protest form available at the Help Desk. The protest form must be completed and lodged before the event if a protest is known or to the Meet Director immediately after the swim or within thirty (30) minutes of the preliminary results being posted.

A fee of \$50.00 must be provided before any protest will be considered.

An appeal committee consisting of the Referee, Meet Director and Convenor will meet as soon as practicable and will consider any protest that cannot be resolved amicably between the protestant and the Meet Director.

Competitors in Relay Teams

Competitors in Relay Teams must swim in the nominated order as per the Entry Form otherwise the team will be disqualified.

After completing their leg of the relay swimmers must exit the pool via the side ladders as quickly as possible or as requested by the referee

The final relay swimmer in each team must remain in their lane until the referee gives an instruction to exit the pool.

Relay Entry Information

All team members will be required to assemble in the marshalling area once their event is announced.

Please note that it is the club's responsibility to ensure that their relay team is assembled at the marshalling area when requested by the pool officials. Where a team is unable to compete because the full complement of swimmers is not available on pool deck for marshalling of that event, the team shall forfeit that event.

Relay entrants must have entered at least one individual event.

Relay ages are based on total combined age of team members in whole years and mixed teams must consist of two male and two female competitors.

Age Groups are: 72-119, 120-159, 160-199, 200-239, 240-279, 280-319, 320-359, and forty year increments as high as necessary (age determined as at 31 December 2023).

All members of the team must be members of the same Masters Club.

Relay entrants shall not swim for more than one team in each relay event.

Changes to relay teams (along with Team withdrawals) to be submitted on the Notification of Change Form, to Event office prior to the announced time deadlines for that particular day

Have-a-Go News Encouragement Award

In 2010 MSWA instigated the Have-a-Go News Encouragement Award with the terrific ongoing support from Have-a-Go News, to recognise and reward those members who **'HAVE A GO'** at this annual event.

We are inviting each MSWA Club to nominate **one** member who is:

- Participating in the 2023 Act Belong Commit Masters Swimming WA State Championships **preferably for the first time**
- Participating to **'HAVE A GO'** and to assist your Club to gain points, without any possible chance of winning individual events or setting records
- Willing to assist your Club and MSWA as a volunteer to time-keep or fill other volunteer positions at this event
- A Club member who supports the Masters ethos of 'Fitness, Friendship and Fun' at your Club

Nominations will receive a certificate with the winner receiving the "Have a Go' trophy. These will be presented on 7 May 2023.

What is mindfulness?

Being mindful is a way to act spiritually by living in the present moment, reflecting, and noticing the small things. There are many potential benefits of regular mindfulness practice including stress reduction, boosts to working memory and improved ability to focus.
