HOW IT WORKS

- Swimming clubs and groups are invited to enter freestyle teams of four.
- Standard Masters swimming relay age groups apply (age is at end of 2023), with the addition of 52 – 63 and 64 - 71 age groups, to accommodate younger family members.
- Team members may swim in any order and any proportion of the one hour as long as all team members swim.
- Each swimmer may compete in one age group only. Two teams may share a lane by mutual consent.
- We expect entries in all the age groups including with (aggregate ages); 72 – 119, 120 – 159, 160 – 199, 200 – 239, 240 – 279, 280 – 319, 320 – 359. Limited lanes are available, so get your entries in and pick a preferred time while you can.

TROPHIES (RETURNABLE) AWARDED

- One to the team in each age group that swims the most 25 m laps in the allocated one hour.
- Another will be awarded to the team that swims closest to their predicted number of laps.
- A trophy will also be awarded to the team that collects the biggest total of donations to aid The Australian Alzheimer's Research Foundation.

FUNDRAISING

- Our over-all target is \$3,000 with a conservative expectation of each individual participant being able to attract \$25 of sponsors, but any amount will help. Trophies will be awarded following the event.
